# Newmen 860

## Application:

This particular structural design was inspired by the successful experience of packaging printing best-selling product 'Rollin POLYELL Plus', which led the factory to apply this technology to the new new model Newmen 860 blanket.

- High printing quality and easy blanket set up on machine.
- Improved load consistency batch to batch.
- Implements all benefits of the Dynatech System:
  - Better vibration absorption;
  - Less gears streaking marks;
  - Higher paper smash resistance;
  - Blanket consistency;
  - Excellent reboundability.
